### Volunteer Guidelines

- Mission statement: Grace's Kitchen, Inc., exists to glorify God by providing fresh and healthy food to those in need.
- Volunteers must be age 16 or older. Children from elementary school age up to 15 must be accompanied by an adult.
- Enter and exit the building through the solid metal door on the side of the building by the dumpster.
- The key to serving at Grace's Kitchen is to be flexible and ready for anything. The tasks could include but are not limited to chopping, sautéing, mixing batter, prepping ingredients, wrapping flatware, cleaning up, etc.
- Wear long pants and nonslip, close-toed shoes.
- Pull back hair, and wear a ball cap. (If you prefer, hair nets are available at the kitchen.)
- Wash your hands before and after each task. Always wear gloves for any food-related task.
- Please note that we cook with a variety of ingredients and our preps may not be safe for volunteers with food allergies.
- If you are sick (particularly if you or anyone in your home has a gastrointestinal illness), please stay home for the safety of those Grace's Kitchen serves.

I have read, understand, and agree to the Kitchen Volunteer Guidelines of Grace's Kitchen.
